

FUNDING MODULE 1PLUS: DURCHSTARTEN

Berlin Funding Programme for Emerging Experts in Arts Education

Who is Durchstarten for?

Durchstarten supports persons whose ideas and experiences tend to come off short in the field of Arts Education because they are faced with so many barriers in the regular application process that they can't apply for funding to carry out their own projects.

For example: young adults, people with disabilities, people with migration background and refugees

Durchstarten is what you're looking for if you want to carry out artistic projects with young people. Funding can be provided to projects where young people aged 0 - 27 years are artistically active themselves.
